CENTER FOR LEADERSHIP AND MEDIA STUDIES

The Center for Leadership and Media Studies supports the study of political leadership and of the mass media's roles in international, national and Virginia politics. In conjunction with the Department of Political Science and International Affairs, the Center's programs are designed to give students a wide range of academic experiences and professional opportunities by conducting public opinion research and by bringing members of the university community into contact with political figures and media practitioners at the international, national, state and local levels.
