

CENTER FOR TEACHING

The Center for Teaching actively supports and encourages faculty in providing a rigorous public, liberal arts education. To fulfill its mission, the Center for Teaching:

- offers resources and support for evidence-based teaching and learning practices that create opportunities for applied, impactful learning experiences
- cultivates a collegial culture of teaching excellence on campus
- serves as a hub connecting the university community across centers, services and departments
- provides holistic support for faculty throughout their careers

This mission addresses strategic university goals while, at the same time, provides the flexibility to respond to the changing needs of faculty and broader campus communities.
