Department of Modern Languages and Literatures (<https://cas.umw.edu/modernlanguages/>)

The Business German minor is an interdisciplinary program of study that combines courses in German language and culture with selected courses in business and/or economics. The Business German minor provides the student with a basic understanding of business and economics as well as the ability to communicate about them in German in a professional context. Students also include a three-credit internship as part of their minor programs. Approved German courses from study abroad programs may also be included among the electives of the Business German minor.
