

SPECIAL PROGRAMS

The University offers many special programs that will be of interest to our students. These include:

Community Engaged Courses

Honors Program

Military Science

In addition, there are several partnership agreements between UMW and our sister schools in Virginia that provide unique accelerated pathways toward graduate degrees.

Accelerated Degree Program with GMU Law School

Accelerated Degree Program with Volgenau School of Engineering at GMU

Accelerated Degree Program with School of Pharmacy at Shenandoah University

Study Away Program with Smithsonian-GMU School of Conservation

Study Away Program with New England Center for Children (<https://cas.umw.edu/psychology/experiential-learning/necc/>)

Accelerated Degree Program with VA Tech in Computer Science

The College of Arts and Sciences maintains a website with more details on the **partnership programs**.
